TOYAM SPORTS LIMITED **ABOUT US**

Toyam Sports Limited (TSL) is the only listed company, on Indian bourses, engaged in various sports production, promotion and management.

Over the last few years, while TSL has managed to assume the pole position in promoting a niche sport like Mixed Martial Arts (MMA) in India, it has also managed to make strong inroads in a sport as popular as cricket, domestically and globally. In a bid to strengthen the sports ecosystem and provide quality, and yet affordable, accessories to the athletes, TSL has launched a range of sports accessories under the 'K1 L' Brand available on all leading ecom platforms like Amazon, Flip Kart etc.

Run passionately by sports enthusiasts, TSL aims to play a leading role in bringing a paradigm shift in the sports industry in India, while establishing global footprints as well, via organic as well as inorganic opportunities. At TSL, we empower the spirit of sports by creating right platforms for deserving athletes, even from the grassroot levels, by producing, promoting and managing some of the biggest sports' intellectual properties. Our team, comprising of nimble-footed professionals, proactively scout for opportunities in the world of sports to widen the horizon for Toyam.

40th ANNUAL GENERAL MEETING (2024-2025)

BRAND AMBASSADOR

Suniel Shetty has been in the entertainment business for 30 years and has acted in over 130 films. But, his true calling has always been his entrepreneurial journey.

Born into a traditional Shetty family in Mangalore, he started work at the young age of 16 at his father's restaurant. Suniel's strong work ethic comes from working on the field - when the world was celebrating events, he worked hard in the kitchens and at the restaurant. This drive continued to make him excel in every entrepreneurial venture he took up later, be it the trend setting fashion destination Mischief, or creating iconic hospitality brands, his foray into real estate development, and content production hubs thereafter. While acting remains one of his joys, Suniel has over the last several years, invested in and mentored some interesting startups. He handpicks ideas he wants to be associated with - those with potential to solve real life problems and championed by a team of hungry goal-setters. Fitness is at his core - pun intended! He remains disciplined, and intent to destroy stereotypes about life beyond 60! At 61, he can proudly say that he is at his fittest best

He looks forward for using this platform to share his experiences, impart his skills and become a catalyst and an enabler, for those who dare to think outside the box.

“The year gone by has been a landmark year for the company, in ways more than one.”

-MOHAMEDALI BUDHWANI

CMD's SPEAK

Dear Friends, the year gone by has not only been eventful but also transformational, pushing boundaries, opening new avenues, and reaffirming our vision of becoming a formidable force in the global sports and entertainment ecosystem. From consolidating our position in Cricket, to pioneering initiatives in Mixed Martial Arts (MMA), and extending our efforts into Tennis, your company has continued to showcase its ability to innovate, diversify, and deliver. Each of these milestones reflects our unwavering commitment to promoting sports at every level and creating platforms that resonate with both athletes and audiences worldwide.

In 2024, we proudly entered Legends League Cricket (LLC T20) by acquiring Toyam Hyderabad, led by Suresh Raina. The team quickly became a fan favourite, reaching the semifinals and ranking among the top three, with global telecast on Star Sports and OTT platforms.

Soon after, TSL and its subsidiary Pacific Star Sports launched the Qatar Premier League (QPL), further strengthening our international footprint.

In December 2024, TSL Hawks, our franchise in Mahesh Bhupathi's World Tennis League, featured stars like Aryna Sabalenka, Sumit Nagal, and Taylor Fritz, finishing runners-up.

In February 2025, we organized the Foundation Day Cup in Dammam, Saudi Arabia, the Kingdom's first domestic cricket league of this scale, featuring international players.

40th ANNUAL GENERAL MEETING (2024-2025)

Looking ahead, we plan periodic MMA fight nights leading up to the next season of Kumite 1 Warrior Hunt, while cricket remains central to our strategy, with strong involvement in leagues across South Asia, the Middle East, and beyond. These initiatives highlight Toyam Sports Limited's growing presence and credibility in the global cricket ecosystem.

In conclusion, I am proud to state that your company is steadily building a robust business model, with diverse initiatives across multiple sports. These strategic efforts are designed not only to expand our global footprint but also to create long-term value for our shareholders. The journey ahead is exciting, and together, we will continue to take Toyam Sports Limited to even greater heights.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your directors have pleasure in presenting the management discussion and analysis report for the year ended on March 31, 2025. The Management Discussion and Analysis have been included in consonance with the Code of Corporate Governance as approved by The Securities and Exchange Board of India (SEBI). Investors are cautioned that these discussions contain certain forward-looking statements that involve risk and uncertainties including those risks which are inherent in the Company's growth and strategy. The company undertakes no obligation to publicly update or revise any of the opinions or forward-looking statements expressed in this report consequent to new information or developments, events or otherwise.

The Management of the Company is presenting herein the overview, opportunities and threats, initiatives by the Company and overall strategy of the Company and its outlook for the future. This outlook is based on Management's own assessment and it may vary due to future economic and other future developments in the country.

India's remarkable economic performance in recent years has positioned it as a key player on the global stage. As of now, India has ascended to the rank of the fifth-largest economy in the world, a testament to its sustained and robust growth trajectory. The economic landscape in India has shown resilience and adaptability, consistently outperforming expectations.

For the fiscal year 2024-25, projections suggest a robust GDP growth rate of 7.6%, marking the third consecutive year that India has achieved growth rates exceeding 7%. This sustained momentum is not only a reflection of the country's strong economic fundamentals but also of the strategic efforts undertaken by both the public and private sectors.

Moreover, the alignment of private and public capital expenditure has further bolstered India's growth prospects. The government's commitment to infrastructure development, coupled with an increase in private sector investments, has created a conducive environment for sustained economic expansion. Public capital expenditure, particularly in sectors such as transportation, energy, and digital infrastructure, has provided a strong foundation for growth. Simultaneously, the private sector's response has been robust, with significant investments in technology, manufacturing, and services sectors, which are vital for long-term economic stability and growth.

The Media & Entertainment (M&E) sector thrives on its ability to offer a wide variety of content across multiple platforms. Traditional media channels such as television and radio remain significant players, providing entertainment and information through established formats. Television, for example, continues to captivate audiences with a mix of news, drama, reality shows, and live events, while radio serves as a trusted source of music, talk shows, and local news.

In parallel, the sector has seen a significant shift towards digital platforms, which have transformed how content is consumed and distributed. Digital media has opened up new avenues, such as streaming services, social media, and video games, offering audiences on-demand access to a vast array of content. Streaming platforms like Netflix, Amazon Prime, and Disney+ have revolutionized film and television consumption, allowing viewers to watch what they want, when they want, without being tied to traditional broadcasting schedules.

Social media platforms like Facebook, Instagram, and YouTube have also become integral to the M&E landscape, serving as both content hubs and interactive spaces where users can engage directly with creators and brands. These platforms not only provide entertainment but also facilitate user-generated content, amplifying the role of audiences as active participants in the media ecosystem.

In India, though, the picture is more promising, M&E revenue in the country witnessed 15.9% growth to USD 46,207 million in 2022 compared to 2021. In fact, the Indian market is poised to grow at a compound annual growth rate (CAGR) of 9.7% in the forecast period to reach USD 73,560 million in 2027.

India, like China and Indonesia, is a growth hotspot offering a desirable combination of existing size and scale, and rapid expected growth for digital media. The launch of commercial 5G services in India in 2022 is an important factor shaping M & E industry capex in 2023. A sizeable section of consumers can now enjoy seamless streaming of higher quality content, thus unlocking new opportunities for the sector. Increasingly cheaper data packages are making the internet accessible to a large population. Data consumption in India is projected to increase to 979.1K petabytes (Pb) in 2027 as against 9.7 million Pb globally, and internet access in the country is expected to generate a revenue of USD 29.1 billion around the same time.

Powered by over-the-top (OTT) platforms, the gaming sector, traditional TV, internet and out-of-home (OOH) advertising and the use of the metaverse, India's E&M industry is expected to grow exponentially. With multi-disciplinary cultural spaces being set up in different metros, a rise in in-person events will also provide considerable room for growth as advertisers are keen to access India's diverse demography and large live audiences.

INDEPENDENT AUDITOR'S REPORT**To the Members of Toyam Sports Limited (Formally known as Toyam Industries Limited)****Report on the Audit of the Consolidated Financial Statements****Qualified Opinion**

We have audited the accompanying consolidated financial statements of **Toyam Sports Limited (Formally known as Toyam Industries Limited)** ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries collectively referred to as "the Company" or "the Group"), which comprise the consolidated balance sheet as at March 31, 2025, the consolidated statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the matters mentioned in the basis for qualified opinion paragraph, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- a) In accordance with the requirements of Indian Accounting Standard (Ind AS 109) 'Financial Instruments', the Company has not provided for impairment of its financial assets using the expected credit loss ('ECL') approach which involves an estimation of the probability of loss on the financial assets over their life, considering reasonable and supportable information about past events, current conditions and forecasts of future economic conditions which could impact the credit quality of the Company's loans and advances. Since the activities of the Company under finance have been considerable (over 50% of the funds) and the management has not provided nor assessed the Financial Assets, we cannot give our opinion on the potential future impact, due to unrecognized impairment and quantification. Hence, we are unable to assess and quantify effect of aforesaid transactions on financial results.
- b) The Company has not carried out impairment analysis of loans and advances given to various Companies (except for the loans for which provision has already been made) as required by Indian Accounting Standard (Ind AS 36) 'Impairment of Assets' though there is an indication of impairment. We are unable to express our opinion on the materiality of the impairment, recoverability of amount and its impact on financial statements.
- c) According to the information and explanation given to us, during the previous year ended March 31, 2024 and during the quarter and year ended March 31, 2025, financial assets of the Company exceeds 50 per cent of its total assets and income from financial assets exceeds 50 per cent of the total revenue of the Company and consequently the Company is required to comply with Section 45-IA and other applicable provisions of the Companies Act Sec 186 and The Reserve Bank of India Act, 1934 (the RBI Act). However, information with respect to aforesaid compliances has not provided to us and hence we are unable to comment upon financial and legal implication thereof, which would be deemed applicable.
- d) During the quarter the Company has received notices from Securities Exchange Board of India (SEBI). Pending completion of investigation by SEBI, the consequent impact on the financials results for the quarter and year ended March 31, 2025, if any is currently not ascertainable and the impact SEBI disclosure of shareholding, where ED now has also frozen some Shares. The management has not shared any information whether any there any other ongoing proceedings other than SEBI proceedings in view of the freezing of Shares and, we are unable to express our opinion on the potential impact of these on the Company.
- e) The Company has not deliberated on the economic benefits that are realizable in the Merchandizing Agreements entered by the Company. In case the Company may not realize the economic befits it had contracted for over the next 12 months and we are unable to express any opinion.
- f) Company has not complied with the statutory liabilities such as Professional tax and TDS. However, information with respect to aforesaid compliances has not provided to us and hence we are unable to comment upon financial and legal

implication thereof, which would be deemed applicable.

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of audit report of the other auditors referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Emphasis of Matter

- a) During the quarter ended December 31, 2024, 2,161 lakhs share warrants have been lapsed on account of not payment of outstanding amount by the respective share warrant holders.
- b) The resignation of the Chief Compliance Officer and Company Secretary on March 4, 2025.

Our opinion is not qualified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Loans & Advances -

Description of Key Audit Matter:

There is an inherent risk around the Loans given by the Company including high degree of complexity and judgement involved for the Company in the estimating individual and collective credit impairment provisions and write-off against these loans given by the Company. The Company's impairment provision for receivables from financing business is based on the expected credit loss approach laid down under Indian Accounting Standard (Ind AS 109) 'Financial Instruments'. Under this approach, the management has been required to exercise judgment in areas viz.

- Calculation of historical default rates
- Estimates and external factors to arrive at probability of future defaults and
- Significant assumption regarding probability of various scenarios, credit policy and discounting rates for different industries considering individual borrower profile.

In view of the high degree of estimation involved in the process of calculation impairment provision and considering its significance to the overall Ind AS financial statement whereby any error/ omission in estimation may give rise to a material misstatement of Ind AS financial statements, it is considered as Key Audit Matter.

Auditor's response:

Our Audit Procedures included considering appropriateness of the Company's accounting policies for impairment of financial assets and assessing compliance with IND AS 109.

For loans which are assessed for impairment on a portfolio basis we performed particularly the following procedures:

- Obtained an understanding of the systems, process and controls implemented by the management for recording Loans and computing interest thereon.
- We understood the methodology and policy laid down for loans given by the company.
- We have reviewed the existence of recovery process in the event of default.
- On selected specific/ statistical samples of Loans, we tested that the revenue recognized is in accordance with the revenue recognition accounting standard.

- We have verified and reviewed the historical trends of repayment of principal amount of loan and repayment of interest.
- We tested the reliability of the key data inputs and related management controls
- We have assessed the assumptions made by the Company in making provision considering forward looking information and business estimates

Information Other than the Financial Statements and Auditor's Report Thereon

The Management and Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we are made available the Board Report, if based on the work performed and based on the work done/ audit report of other auditors we conclude that there is a material misstatement of this other information we are required to report the fact.

Responsibility of Management for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purposes of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, management of the respective Companies included in the Group are responsible for assessing the ability of the respective Companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective management and Boards of Directors either intend to liquidate their respective Companies or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiaries Companies incorporated in India has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entity within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of the entity included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which has been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in sub-paragraph (a) of the section titled 'Other Matters' in this audit report.

We believe that the audit evidence obtained by us along with the consideration of audit report of the other auditors referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Other Matters

- a. We did not audit the financial statement/ information of 1 subsidiary included in the consolidated financial results whose Ind AS financial statements include total assets of Rs. 2.95 lakhs as at March 31, 2025 and total revenue of Nil, and total profit of Nil including other comprehensive income for the year ended March 31, 2025 as considered in the consolidated annual financial results. These Financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the Consolidated Ind AS financial results insofar as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of section 143 (3) of the Act insofar as it relates to the aforesaid subsidiaries is based solely on the reports of such auditors. Our opinion on the consolidated Ind As financial results is not modified in respect of the above matter with respect to our reliance on the work done and the reports of other auditors.
- b. We did not review the financial statements/ information of 1 subsidiary incorporated outside India included in the financial statement, whose financial results reflect total revenue of 654.47 lakhs, and total profit of 214.13 lakhs including other comprehensive income for the year ended March 31, 2025, as considered in the consolidated unaudited financial statements. Financial statements of these subsidiaries have been prepared under generally accepted accounting principles in respective countries ("the Local GAAP") and are reviewed by auditors in those countries. Review reports issued by such auditors have been furnished to us by the management. For the purpose of preparation of consolidated financial statements of the Group, the aforesaid Local GAAP financial results have been restated by the management of the Company to confirm to Ind AS and the conversion adjustments are reviewed by us. Our opinion on the financial statement, in so far as it relates to the amounts and disclosures of the aforesaid subsidiaries, apart from the aforesaid conversion adjustments, is based on the reports of other auditors and is not modified in respect of our reliance on the work done and the reports of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and except for the matter described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

Annexure – A to the Auditor’s Report**Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)****Opinion**

In conjunction with our audit of the consolidated financial statements of **Toyam Sports Limited (Formally known as Toyam Industries Limited)** (herein after referred to as “the Holding Company”) as of and for the year ended March 31, 2025, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiaries companies, as of that date.

In our opinion, the Holding Company and its subsidiaries incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025 based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over Financial Reporting criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls over Financial Reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an Audit of Internal Financial Controls, both applicable to an Audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain Reasonable Assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the Auditor’s Judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Internal Financial Controls system over Financial Reporting with reference to Consolidated Financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with

generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

1.1 Corporate Information

Toyam Sports Limited (Formerly known as Toyam Industries Limited) ('the 'Company') is a Company domiciled in India, with its registered office situated at 503, Shri Krishna Complex Fun Republic Lane New Link Road Opp Laxmi Industrial Estate Andheri (West) Mumbai - 400053 Maharashtra, India. The Company has been incorporated under the provisions of Indian Companies Act and its equity is listed on the Bombay Stock Exchange (BSE) in India. The Company is primarily involved in all kinds of activities related to sports, fitness, fashion, films, entertainment or any other genre.

1.2 Basis of preparation

a) Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The financial statements were authorised for issue by the Company's Board of Directors on June 21, 2025.
 Details of the Company's accounting policies are included in Note 1.3.

b) Functional and presentation currency

These financial statements are presented in Indian Rupees (Rs. lakhs), which is also the Company's functional currency.

c) Basis of measurement

The financial statements have been prepared on the historical cost basis, except for certain financial assets and liabilities and defined benefit plan assets / liabilities measured at fair value.

d) Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

- 1) Useful life of Property, plant and equipment.
- 2) Useful life of Intangible Assets
- 3) Provisions and contingent liabilities
- 4) Lease classification
- 5) Income tax

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment for the year end March 31, 2025 is included in the following notes:

Note No 33-Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources.

e) Measurement at fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Valuation techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Valuation techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

1.3 Significant Accounting Policies

i) Property, plant and equipment

a) Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in statement of Profit & Loss.

b) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

c) Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method and is recognised in the statement of profit and loss.

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Asset	Management estimate of useful life	Useful Life as per Schedule II of the Companies Act, 2013
Furniture and Fixtures	10	10
Motor Vehicles	8	8
Office Equipments	5	5
Computers	3	3

Depreciation method, useful lives and residual values are reviewed at each financial year end and adjusted if appropriate. Based on internal assessment and consequent advice, the management believes that its estimate of useful lives as given above best represent the period over which management expects to use these assets.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed off).

- ii) **Intangible assets**
- a) **Acquired intangible assets**
Intangible assets comprise purchased technical know-how are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.
- b) **Subsequent expenditure**
Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in statement of profit and loss as incurred.
- c) **Amortisation**
Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method and is included in depreciation and amortisation in Statement of Profit and Loss.
Intangible assets are amortised over a period of 10 years for technical know-how and 3 years for other Rs. lakhs
Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.
- iii) **Foreign currency transactions**
The Company's financial statements are presented in INR, which is also the Company's functional currency.
Transactions and balances
Monetary items are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in statement of profit & loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.
-
- iv) **Impairment of non-financial assets**
An asset is deemed impairable when recoverable value is less than its carrying cost and the difference between the two represents provisioning exigency. Recoverable value is the higher of the 'Value in Use' and fair value as reduced by cost of disposal. Test of impairment of PPE (Property, Plant & Equipment) investment in subsidiaries / associates / joint venture and goodwill are undertaken under Cash Generating Unit (CGU) concept. For Intangible Assets and Investment Properties it is undertaken in asset specific context. Test of impairment of assets are generally undertaken based on indication of impairment, if any, from external and internal sources of information. Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.
- v) **Provisions and contingent liabilities**
A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assumptions of the time value of money and the risks specific to the liability. The unwinding of discount is recognized as finance cost.
The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.
When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.
Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote.
- vi) **Leases**
As a lessee
The Company's leases primarily consist of leases of office premises and guest houses. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.
At the date of commencement of the lease, the Company recognizes a ROU and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and/or low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.
The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Currently, ROU assets are being amortised over a period of 3-5 years based on lease term being lower of lease term and estimated useful life of underlying assets.
Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing activities in statement of cash flows.
As a lessor
Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.
- vii) **Borrowing costs**
Borrowing costs directly attributable to the acquisition or construction of those property, plant and equipment which necessarily takes a substantial period of time to get ready for their intended use are capitalised. All other borrowing costs are expensed in the period in which they incur in the statement of profit and loss.
-
- viii) **Revenue Recognition**
Revenue comprises revenue from contracts with customers for sale of goods. Revenue from sale of goods is inclusive of excise duties and is net of returns, trade allowances, rebates, value added taxes, Goods and Services Tax (GST) and such amounts collected on behalf of third parties.
Revenue is recognised as and when performance obligations are satisfied by transferring goods or services to the customer.
Interest
Interest income is recognized using the effective interest rate method. The effective interest rate is the rate that discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of the financial asset. Interest income is included under the head "Other income" in the statement of profit and loss.
Dividend
Dividend income is recognized when the Company's right to receive the payment is established, which is generally when the shareholders approve the dividend.
- ix) **Income tax**
Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.
a) Current tax
Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

b) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

The Company offsets the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

x) Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss after tax attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss after tax attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding after adjusting for the effects of all potential dilutive ordinary shares.

xi) Statement of Cash flow

Cash flows are reported using the indirect method, whereby profit / (loss) for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. Cash and cash equivalents are cash, balances with bank and short-term (three months or less from the date of placement), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

xii) Financial instruments
a) Recognition and initial measurement

The Company initially recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are measured at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

b) Classification and subsequent measurement
Financial assets
Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

In case, the fair value of a financial asset or financial liability, at initial recognition, differs from the transaction price, the difference between the fair value at initial recognition and the transaction price -

(i) is recognised as a gain or loss if that fair value is evidenced by a quoted price in an active market for an identical asset or liability (i.e. a Level 1 input) or based on a valuation.

(ii) is deferred and is recognised as a gain or loss only to the extent that it arises from a change in a factor (including time) that market participants would take into account when pricing the asset or liability. The unamortised portion of the deferred fair value gain/loss difference as on reporting date, is disclosed under other current / non-current assets / liabilities as the case may be.

c) Derecognition
Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

The Company assesses impairment based on expected credit losses (ECL) model at an amount equal to:-

- 12 months expected credit losses, or
- Lifetime expected credit losses

depending upon whether there has been a significant increase in credit risk since initial recognition. However, for trade receivables, the company does not track the changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expired.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the statement of profit and loss.

d) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously.

26 Financial Instruments - Accounting classification and fair value measurements

- a) The fair value of the assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in forced or liquidation sale.
- b) **The following methods and assumptions were used to estimate the fair value:**
- 1) Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to the short term maturities of these instruments.
 - 2) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rate and individual credit worthiness of the counter party. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.
- c) **The company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques:**

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Valuation techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Valuation techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy :

27 Financial risk management**Objectives and policies****Risk management framework**

The Company's management has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company conducts yearly risk assessment activities to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company has a system in place to ensure risk identification and ongoing periodic risk assessment is carried out. The Board of directors periodically monitors the risk assessment.

The Company has exposure to the following risks arising from financial instruments :

- Credit risk
- Liquidity risk
- Market risk

a) Credit risk

Credit risk is the risk that counterparty will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments. The company generally doesn't have collateral.

The carrying amounts of financial assets represent the maximum credit risk exposure. The maximum exposure to credit risk at the reporting date is as follows :-

Particulars	(Rs. lakhs)	
	As at March 31, 2025	As at March 31, 2024
Trade Receivables	1,406.92	1,572.43
Cash and Cash Equivalents	23.38	411.56
Other Bank Balances	-	-
Loans	7,559.82	8,224.47
Other Financial Assets	527.11	579.83
Total	9,517.23	10,788.29

Trade receivables

Customer credit risk is managed as per Company's established policy, procedures and control relating to customer credit risk management. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

An impairment analysis is performed for all major customers at each reporting date on an individual basis. In addition, a large number of minor receivables are grouped into homogenous group and assessed for impairment collectively. The calculation is based on historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several industries and operate in largely independent markets.

	(Rs. lakhs)		
	Carrying amount	Contractual cash flows Less than one year	More than 1 year
As at March 31, 2025	1,406.92	1,406.92	-
As at March 31, 2024	1,572.43	1,572.43	-

Bank balances and deposits with banks

Credit risk from balances with banks is managed by the company's finance department as per Company's policy. Investment of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Board of directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

As at March 31, 2025
(Rs. lakhs)

Other Financial Liabilities	46.72	46.72	-
	877.75	877.75	-

c) Market risk

Market risk is the risk of loss of future earnings, fair value or future cash flows arising out of change in the price of a financial instrument. These include change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowing.

The company manages market risk through a risk management committee engaged in, inter alia, evaluation and identification of risk factors with the object of governing / mitigation them accordingly to company's objectives and declared policies in specific context of impact thereof on various segments of financial instruments.

Currency risk

The Company is exposed to currency risk to the extent that there is mismatch between the currencies in which sales, purchase are denominated and the respective functional currencies of Company. The Company has transactions primarily denominated in US dollars. lakhs

Exposure to currency risk

The Company is not exposure to currency risk as reported to the management.

d) Interest risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The entity's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

Exposure to interest risk

The Company is not exposure to interest risk as reported to the management.

28 Capital Management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans.

The Company monitors capital based on the following ratio :-

II. Audit Qualification:

No	Particular	Remarks
	Details of audit Qualification:	a) In accordance with the requirements of Indian Accounting Standard (Ind AS 109) 'Financial Instruments', the Company has not provided for impairment of its financial assets using the expected credit loss ('ECL') approach which involves an estimation of the probability of loss on the financial assets over their life, considering reasonable and supportable information about past events, current conditions and forecasts of future economic conditions which could impact the credit quality of the Company's loans and advances. Since the activities of the Company under finance have been considerable (over 50% of the funds) and the management has not provided nor assessed the Financial Assets, we cannot give our opinion on the potential future impact, due to unrecognized impairment and quantification. Hence, we are unable to assess and quantify effect of aforesaid transactions on financial results. b) The Company has not carried out impairment analysis of loans and advances given to various Companies (except for the loans for which provision has already been made) as required by Indian Accounting Standard (Ind AS 36) 'Impairment of Assets' though there is an indication of impairment. We are unable to express our opinion on the materiality of the impairment, recoverability of amount and its impact on financial statements. c) According to the information and explanation given to us, during the previous year ended March 31, 2024 and during the quarter and year ended March 31, 2025, financial assets of the Company exceeds 50 per cent of its total assets and income from financial assets exceeds 50 per cent of the total revenue of the Company and consequently the Company is required to comply with Section 45-IA and other applicable provisions of the Companies Act Sec 186 and The Reserve Bank of India Act, 1934 (the RBI Act).

		However, information with respect to aforesaid compliances has not provided to us and hence we are unable to comment upon financial and legal implication thereof, which would be deemed applicable. d) During the quarter the Company has received notices from Securities Exchange Board of India (SEBI). Pending completion of investigation by SEBI, the consequent impact on the financials results for the quarter and year ended March 31, 2025, if any is currently not ascertainable and the impact SEBI disclosure of shareholding, where ED now has also frozen some Shares. The management has not shared any information whether any there any other ongoing proceedings other than SEBI proceedings in view of the freezing of Shares and, we are unable to express our opinion on the potential impact of these on the Company. e) The Company has not deliberated on the economic benefits that are realizable in the Merchandizing Agreements entered by the Company. In case the Company may not realize the economic benefits it had contracted for over the next 12 months and we are unable to express any opinion. f) Company has not complied with the statutory liabilities such as Professional tax and TDS. However, information with respect to aforesaid compliances has not provided to us and hence we are unable to comment upon financial and legal implication thereof, which would be deemed applicable.
	Type of audit Qualification:	Qualified opinion
	Frequency of qualification:	Repetitive/ Appeared First time
	For audit qualification(s) where the impact is quantified by the auditor, Management's Views:	Not applicable
	For audit qualification(s) where the impact is not quantified by the auditor: i) Management's estimation on the impact of audit qualification:	The management has not considered it necessary to provide for impairment or apply the Expected Credit Loss (ECL) approach on these financial instruments, as they do not foresee any potential credit loss arising from them. Based on an internal assessment of the credit risk and recoverability of these assets, management is of the view that the financial instruments are secure and the parties involved are creditworthy. As a result, no provision has been made, since there is no reasonable indication of any loss expected at this stage. The management has not carried out an impairment analysis on the loans and advances extended to various parties, as no impairment loss is currently anticipated. Loans and advances identified as non-recoverable in the past have already been written off from the books. The Company is fully cooperating with SEBI in relation to the ongoing proceedings and has responded to the notices received. As the investigation is still underway, the financial impact, if any, cannot be determined at this stage. The management confirms that, apart from the SEBI matter, there are no other ongoing proceedings related to the freezing of shares to the best of its knowledge.

		In accordance with the merchandise agreement, the party has agreed to pay interest, which constitutes the economic benefit derived from the advances provided for the merchandise. Owing to a shortage of funds caused by the losses suffered in the LLC T20 Cricket League, we are presently unable to meet our obligations related to TDS, professional tax, and other statutory liabilities.
	ii.) If managements unable to estimate the impact, reasons for the same:	Not applicable
	iii.) Auditors' Comments on (i) or (ii) above:	No further comments

INDEPENDENT AUDITOR'S REPORT

To the Members of Toyam Sports Limited (Formally known as Toyam Industries Limited)

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of **Toyam Sports Limited (Formally known as Toyam Industries Limited)** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the matters mentioned in the basis for qualified opinion paragraph, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profits and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- a) In accordance with the requirements of Indian Accounting Standard (Ind AS 109) 'Financial Instruments', the Company has not provided for impairment of its financial assets using the expected credit loss ('ECL') approach which involves an estimation of the probability of loss on the financial assets over their life, considering reasonable and supportable information about past events, current conditions and forecasts of future economic conditions which could impact the credit quality of the Company's loans and advances. Since the activities of the Company under finance have been considerable (over 50% of the funds) and the management has not provided nor assessed the Financial Assets, we cannot give our opinion on the potential future impact, due to unrecognized impairment and quantification. Hence, we are unable to assess and quantify effect of aforesaid transactions on financial results.
- b) The Company has not carried out impairment analysis of loans and advances given to various Companies (except for the loans for which provision has already been made) as required by Indian Accounting Standard (Ind AS 36) 'Impairment of Assets' though there is an indication of impairment. We are unable to express our opinion on the materiality of the impairment, recoverability of amount and its impact on financial statements.
- c) According to the information and explanation given to us, during the previous year ended March 31, 2024 and during the quarter and year ended March 31, 2025, financial assets of the Company exceeds 50 per cent of its total assets and income from financial assets exceeds 50 per cent of the total revenue of the Company and consequently the Company is required to comply with Section 45-IA and other applicable provisions of the Companies Act Sec 186 and The Reserve Bank of India Act, 1934 (the RBI Act). However, information with respect to aforesaid compliances has not provided to us and hence we are unable to comment upon financial and legal implication thereof, which would be deemed applicable.
- d) During the quarter the Company has received notices from Securities Exchange Board of India (SEBI). Pending completion of investigation by SEBI, the consequent impact on the financials results for the quarter and year ended March 31, 2025, if any is currently not ascertainable and the impact SEBI disclosure of shareholding, where ED now has also frozen some Shares. The management has not shared any information whether any there any other ongoing proceedings other than SEBI proceedings in view of the freezing of Shares and, we are unable to express our opinion on the potential impact of these on the Company.
- e) The Company has not deliberated on the economic benefits that are realizable in the Merchandizing Agreements entered by the Company. In case the Company may not realize the economic befits it had contracted for over the next 12 months and we are unable to express any opinion.
- f) Company has not complied with the statutory liabilities such as Professional tax and TDS. However, information with respect to aforesaid compliances has not provided to us and hence we are unable to comment upon financial and legal implication thereof, which would be deemed applicable.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

- a) During the quarter ended December 31, 2024, 2,161 lakhs share warrants have been lapsed on account of not payment of outstanding amount by the respective share warrant holders.
- b) The resignation of the Chief Compliance Officer and Company Secretary on March 4, 2025.

Our opinion is not qualified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Loans & Advances –

Description of Key Audit Matter:

There is an inherent risk around the Loans given by the Company including high degree of complexity and judgement involved for the Company in the estimating individual and collective credit impairment provisions and write-off against these loans given by the Company. The Company's impairment provision for receivables from financing business is based on the expected credit loss approach laid down under Indian Accounting Standard (Ind AS 109) 'Financial Instruments'. Under this approach, the management has been required to exercise judgment in areas viz.

- Calculation of historical default rates
- Estimates and external factors to arrive at probability of future defaults and
- Significant assumption regarding probability of various scenarios, credit policy and discounting rates for different industries considering individual borrower profile.

In view of the high degree of estimation involved in the process of calculation impairment provision and considering its significance to the overall Ind AS financial statement whereby any error/ omission in estimation may give rise to a material misstatement of Ind AS financial statements, it is considered as Key Audit Matter.

Auditor's response:

Our Audit Procedures included considering appropriateness of the Company's accounting policies for impairment of financial assets and assessing compliance with IND AS 109.

For loans which are assessed for impairment on a portfolio basis we performed particularly the following procedures:

- Obtained an understanding of the systems, process and controls implemented by the management for recording Loans and computing interest thereon.
- We understood the methodology and policy laid down for loans given by the company.
- We have reviewed the existence of recovery process in the event of default.
- On selected specific/ statistical samples of Loans, we tested that the revenue recognized is in accordance with the revenue recognition accounting standard.
- We have verified and reviewed the historical trends of repayment of principal amount of loan and repayment of interest.

- We tested the reliability of the key data inputs and related management controls
- We have assessed the assumptions made by the Company in making provision considering forward looking information and business estimates

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and except for the matter described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above and for the matter stated in the paragraph 2i(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
- d) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) The matter described in the Basis for Qualified Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
- f) On the basis of the written representations received from the directors as on March 31, 2025 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- g) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in basis for qualified opinion paragraph and paragraph '2.(b)' above on reporting under Section 143(3)(b) of the Act and in paragraph '2.(i)(vi)' below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- i) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigation on its financial position as at March 31, 2025.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

Based on the audit procedures that have been considered reasonable and appropriate in the circumstances,

nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The Company has not declared any dividend during the year.
- vi. Based on our examination which included test checks, the company has not used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility. The software was not enabled at the database level to log any direct data changes for the accounting software used.

- ii
 - (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion, with regards to the nature and size of its inventories, the coverage and procedure of such physical verification carried out during the year were appropriate. Discrepancies noted during such physical verification were less than 10% of respective inventory classes. All discrepancies noted during the year were properly dealt with in the books of account.
 - (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions on the basis of security of current assets, and hence reporting under clause (ii)(b) of the Order is not applicable.
- iii
 - (a) The Company has granted unsecured loans to parties during the year.
 - (b) According to the information and explanations given to us and based on the audit procedures carried out by us, in our opinion the terms and conditions of the grant of loans during the year are prima facie, not prejudicial to the interest of the Company.
 - (c) In respect of loans granted outstanding during the year, the schedule of repayment of principal and payment of interest has not been stipulated. The repayments of principal amounts and receipts of interest are not regular.

- (d) In our opinion in respect of loans granted and outstanding, we are unable to comment on the overdue amount remaining outstanding as at balance sheet date since the schedule of repayment of principal and payment of interest has not been stipulated.
- (e) In our opinion and on the basis of information and explanations given to us, since the schedule of repayment of principal and payment of interest has not been stipulated we are unable to comment whether any loans have fallen due during the year.
- (f) The Company has granted loans during the year to parties which are repayable on demand.

Further, the Company has not made investments and provided any guarantee or security to companies, firms, Limited Liability Partnerships or any other parties.

- iv In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v According to information and explanations given to us, the Company has not accepted any deposits from the public in accordance with the provisions of section 73 to 76 or any relevant provisions of the Act and rules framed thereunder. Accordingly, paragraph 3(v) of the Order is not applicable.

- (d) According to the information and explanations given to us, the Group (as defined in the Core Investment Companies (Reserve Bank) Direction 2016) does not have any Core Investment Companies (CICs).
- xvii The Company has incurred cash losses in the current and in the immediately preceding financial year.
- xviii There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- xix On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx (a) According to the information and explanations given to us and based on audit procedures performed by us, the Company was not required to spend any amount in terms of Section 135 of the Act during the year. Accordingly, second proviso to sub-section (5) of section 135 of the said Act and paragraph 3(xx)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and based on audit procedures performed by us, the Company did not have any ongoing project in terms of Section 135 of the Act during the year. Accordingly, provision of sub-section (6) of section 135 of the said Act and paragraph 3(xx)(b) of the Order is not applicable.

(xxi) This Report is issued on the standalone financial statements of the Company. Accordingly, paragraph 3(xxi) of the Order is not applicable.

Annexure - B to the Auditors' Report

(referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of the Company of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**Opinion**

We have audited the Internal Financial Controls over financial reporting of **Toyam Sports Limited (Formally known as Toyam Industries Limited)** ("the Company") as of March 31, 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over Financial Reporting criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls over Financial Reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an Audit of Internal Financial Controls, both applicable to an Audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain Reasonable Assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system over Financial Reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of Financial Reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted Accounting Principles. A company's Internal Financial Control over Financial Reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in

reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Toyam Sports Limited (Formerly known as Toyam Industries Limited)
Notes to Standalone Financial Statements for the year ended March 31, 2025

1.1 Corporate Information

Toyam Sports Limited (Formally known as Toyam Industries Limited) ('the 'Company') is a Company domiciled in India, with its registered office situated at 503, Shri Krishna Complex Fun Republic Lane New Link Road Opp Laxmi Industrial Estate Andheri (West) Mumbai - 400053 Maharashtra, India. The Company has been incorporated under the provisions of Indian Companies Act and its equity is listed on the Bombay Stock Exchange (BSE) in India. The Company is primarily involved in all kinds of activities related to sports, fitness, fashion, films, entertainment or any other genre.

1.2 Basis of preparation

a) Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The financial statements were authorised for issue by the Company's Board of Directors on June 21, 2025.
Details of the Company's accounting policies are included in Note 1.3.

b) Functional and presentation currency

These financial statements are presented in Indian Rupees (Rs. lakhs), which is also the Company's functional currency.

c) Basis of measurement

The financial statements have been prepared on the historical cost basis, except for certain financial assets and liabilities and defined benefit plan assets / liabilities measured at fair value.

d) Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

- 1) Useful life of Property, plant and equipment.
- 2) Useful life of Intangible Assets
- 3) Provisions and contingent liabilities
- 4) Lease classification
- 5) Income tax

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment for the year end March 31, 2025 is included in the following notes:

Note No 33-Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources.

e) Measurement at fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: Valuation techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

1.3 Significant Accounting Policies

i) Property, plant and equipment

a) Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in statement of Profit & Loss.

b) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

- c) Depreciation**
Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method and is recognised in the statement of profit and loss.
The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:
- | Asset | Management estimate of useful life | Useful Life as per Schedule II of the Companies Act, 2013 |
|------------------------|------------------------------------|---|
| Furniture and Fixtures | 10 | 10 |
| Motor Vehicles | 8 | 8 |
| Office Equipments | 5 | 5 |
| Computers | 3 | 3 |
- Depreciation method, useful lives and residual values are reviewed at each financial year end and adjusted if appropriate. Based on internal assessment and consequent advice, the management believes that its estimate of useful lives as given above best represent the period over which management expects to use these assets.
Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed off).
- ii) Intangible assets**
- a) Acquired intangible assets**
Intangible assets comprise purchased technical know-how are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.
- b) Subsequent expenditure**
Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in statement of profit and loss as incurred.
- c) Amortisation**
Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method and is included in depreciation and amortisation in Statement of Profit and Loss.
Intangible assets are amortised over a period of 10 years for technical know-how and 3 years for other Rs. lakhs
Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.
- iii) Foreign currency transactions**
The Company's financial statements are presented in INR, which is also the Company's functional currency.
Transactions and balances
Monetary items are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in statement of profit & loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.
- iv) Impairment of non-financial assets**
An asset is deemed impairable when recoverable value is less than its carrying cost and the difference between the two represents provisioning exigency. Recoverable value is the higher of the 'Value in Use' and fair value as reduced by cost of disposal. Test of impairment of PPE (Property, Plant & Equipment) investment in subsidiaries / associates / joint venture and goodwill are undertaken under Cash Generating Unit (CGU) concept. For Intangible Assets and Investment Properties it is undertaken in asset specific context. Test of impairment of assets are generally undertaken based on indication of impairment, if any, from external and internal sources of information. Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.
- v) Provisions and contingent liabilities**
A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assumptions of the time value of money and the risks specific to the liability. The unwinding of discount is recognized as finance cost.
The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.
When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.
Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote.
- vi) Leases**
As a lessee
The Company's leases primarily consist of leases of office premises and guest houses. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.
At the date of commencement of the lease, the Company recognizes a ROU and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and/or low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.
The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Currently, ROU assets are being amortised over a period of 3-5 years based on lease term being lower of lease term and estimated useful life of underlying assets.
Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing activities in statement of cash flows.
As a lessor
Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.
- vii) Borrowing costs**
Borrowing costs directly attributable to the acquisition or construction of those property, plant and equipment which necessarily takes a substantial period of time to get ready for their intended use are capitalised. All other borrowing costs are expensed in the period in which they incur in the statement of profit and loss.

viii) Revenue Recognition

Revenue comprises revenue from contracts with customers for sale of goods. Revenue from sale of goods is inclusive of excise duties and is net of returns, trade allowances, rebates, value added taxes, Goods and Services Tax (GST) and such amounts collected on behalf of third parties.

Revenue is recognised as and when performance obligations are satisfied by transferring goods or services to the customer.

Interest

Interest income is recognized using the effective interest rate method. The effective interest rate is the rate that discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of the financial asset. Interest income is included under the head "Other income" in the statement of profit and loss.

Dividend

Dividend income is recognized when the Company's right to receive the payment is established, which is generally when the shareholders approve the dividend.

ix) Income tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

a) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

b) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

The Company offsets the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

x) Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss after tax attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss after tax attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding after adjusting for the effects of all potential dilutive ordinary shares.

xi) Statement of Cash flow

Cash flows are reported using the indirect method, whereby profit / (loss) for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. Cash and cash equivalents are cash, balances with bank and short-term (three months or less from the date of placement), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

xii) Financial instruments
a) Recognition and initial measurement

The Company initially recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are measured at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

b) Classification and subsequent measurement
Financial assets
Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

In case, the fair value of a financial asset or financial liability, at initial recognition, differs from the transaction price, the difference between the fair value at initial recognition and the transaction price -

- (i) is recognised as a gain or loss if that fair value is evidenced by a quoted price in an active market for an identical asset or liability (i.e. a Level 1 input) or based on a valuation.
- (ii) is deferred and is recognised as a gain or loss only to the extent that it arises from a change in a factor (including time) that market participants would take into account when pricing the asset or liability. The unamortised portion of the deferred fair value gain/loss difference as on reporting date, is disclosed under other current / non-current assets / liabilities as the case may be.

c) Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

The Company assesses impairment based on expected credit losses (ECL) model at an amount equal to:-

- 12 months expected credit losses, or
- Lifetime expected credit losses

depending upon whether there has been a significant increase in credit risk since initial recognition. However, for trade receivables, the company does not track the changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expired.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the statement of profit and loss.

d) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously.

26 Financial Instruments - Accounting classification and fair value measurements

- a) The fair value of the assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in forced or liquidation sale.
- b) **The following methods and assumptions were used to estimate the fair value:**
- 1) Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to the short term maturities of these instruments.
 - 2) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rate and individual credit worthiness of the counter party. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

c) **The company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques:**

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Valuation techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Valuation techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy :

27 Financial risk management
Objectives and policies
Risk management framework

The Company's management has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company conducts yearly risk assessment activities to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company has a system in place to ensure risk identification and ongoing periodic risk assessment is carried out. The Board of directors periodically monitors the risk assessment.

The Company has exposure to the following risks arising from financial instruments :

- Credit risk
- Liquidity risk
- Market risk

a) Credit risk

Credit risk is the risk that counterparty will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments. The company generally doesn't have collateral.

The carrying amounts of financial assets represent the maximum credit risk exposure. The maximum exposure to credit risk at the reporting date is as

Particulars	(Rs. lakhs)	
	As at March 31, 2025	As at March 31, 2024
Trade Receivables	44.20	44.20
Cash and Cash Equivalents	18.30	29.19
Other Bank Balances	-	-
Loans	7,559.82	8,224.47
Other Financial Assets	533.96	414.73
Total	8,156.28	8,712.59

Trade receivables

Customer credit risk is managed as per Company's established policy, procedures and control relating to customer credit risk management. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

An impairment analysis is performed for all major customers at each reporting date on an individual basis. In addition, a large number of minor receivables are grouped into homogenous group and assessed for impairment collectively. The calculation is based on historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several industries and operate in largely independent markets.

As at March 31, 2025	44.20		44.20
As at March 31, 2024	44.20	44.20	-

Bank balances and deposits with banks

Credit risk from balances with banks is managed by the company's finance department as per Company's policy. Investment of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Board of directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

c) Market risk

Market risk is the risk of loss of future earnings, fair value or future cash flows arising out of change in the price of a financial instrument. These include change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowing.

The company manages market risk through a risk management committee engaged in, inter alia, evaluation and identification of risk factors with the object of governing / mitigation them accordingly to company's objectives and declared policies in specific context of impact thereof on various segments of financial instruments.

Currency risk

The Company is exposed to currency risk to the extent that there is mismatch between the currencies in which sales, purchase are denominated and the respective functional currencies of Company. The Company has transactions primarily denominated in US dollars. lakhs

Exposure to currency risk

The Company is not exposure to currency risk as reported to the management.

d) Interest risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The entity's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

Exposure to interest risk

The Company is not exposure to interest risk as reported to the management.

28 Capital Management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans.

The Company monitors capital based on the following ratio :-

Audit Qualification:

Sr. No	Particular	Remarks
1.	Details of audit Qualification:	a) In accordance with the requirements of Indian Accounting Standard (Ind AS 109) 'Financial Instruments', the Company has not provided for impairment of its financial assets using the expected credit loss ('ECL') approach which involves an estimation of the probability of loss on the financial assets over their life, considering reasonable and supportable information about past events, current conditions and forecasts of future economic conditions which could impact the credit quality of the Company's loans and advances. Since the activities of the Company under finance have been considerable (over 50% of the funds) and the management has not provided nor assessed the Financial Assets, we cannot give our opinion on the potential future impact, due to unrecognized impairment and quantification. Hence, we are unable to assess and quantify effect of aforesaid transactions on financial results. b) The Company has not carried out impairment analysis of loans and advances given to various Companies (except for the loans for which provision has already been made) as required by Indian Accounting Standard (Ind AS 36) 'Impairment of Assets' though there is an indication of impairment. We are unable to express our opinion on the materiality of the impairment, recoverability of amount and its impact on financial statements. c) According to the information and explanation given to us, during the previous year ended March 31, 2024 and during the quarter and year ended March 31, 2025, financial assets of the Company exceeds 50 per cent of its total assets and income from financial assets exceeds 50 per cent of the total revenue of the Company and consequently the Company is required to comply with Section 45-IA and other applicable provisions of the Companies Act Sec 186 and The Reserve Bank of India Act, 1934

		(the RBI Act). However, information with respect to aforesaid compliances has not provided to us and hence we are unable to comment upon financial and legal implication thereof, which would be deemed applicable. d) During the quarter the Company has received notices from Securities Exchange Board of India (SEBI). Pending completion of investigation by SEBI, the consequent impact on the financials results for the quarter and year ended March 31, 2025, if any is currently not ascertainable and the impact SEBI disclosure of shareholding, where ED now has also frozen some Shares. The management has not shared any information whether any there any other ongoing proceedings other than SEBI proceedings in view of the freezing of Shares and, we are unable to express our opinion on the potential impact of these on the Company. e) The Company has not deliberated on the economic benefits that are realizable in the Merchandizing Agreements entered by the Company. In case the Company may not realize the economic benefits it had contracted for over the next 12 months and we are unable to express any opinion. f) Company has not complied with the statutory liabilities such as Professional tax and TDS. However, information with respect to aforesaid compliances has not provided to us and hence we are unable to comment upon financial and legal implication thereof, which would be deemed applicable.
.	Type of audit Qualification:	Qualified opinion
.	Frequency of qualification:	Repetitive/Appeared First time
.	For audit qualification(s) where the impact is quantified by the auditor, Management's Views:	Not applicable
.	For audit qualification(s) where the impact is not quantified by the auditor: ii) Management's estimation on the impact of audit qualification:	The management has not considered it necessary to provide for impairment or apply the Expected Credit Loss (ECL) approach on these financial instruments, as they do not foresee any potential credit loss arising from them. Based on an internal assessment of the credit risk and recoverability of these assets, management is of the view that the financial instruments are secure and the parties involved are creditworthy. As a result, no provision has been made, since there is no reasonable indication of any loss expected at this stage. The management has not carried out an impairment analysis on the loans and advances extended to various parties, as no impairment loss is currently anticipated. Loans and advances identified as non-recoverable in the past have already been written off from the books. The Company is fully cooperating with SEBI in relation to the ongoing proceedings and has responded to the notices received. As the investigation is still underway, the financial impact, if any, cannot be determined at this stage. The management confirms that, apart from the SEBI matter, there are no other ongoing proceedings

		related to the freezing of shares to the best of its knowledge. In accordance with the merchandise agreement, the party has agreed to pay interest, which constitutes the economic benefit derived from the advances provided for the merchandise. Owing to a shortage of funds caused by the losses suffered in the LLC T20 Cricket League, we are presently unable to meet our obligations related to TDS, professional tax, and other statutory liabilities.
	iv.) If managements unable to estimate the impact, reasons for the same:	Not applicable
	v.) Auditors' Comments on (i) or (ii) above:	No further comments
